WELCOME

Hi all and welcome to the new season,

As we have suggested on our social media we are looking to do things a little differently this year and provide you with a bit more structure and certainty.

Please have a read through the information below and if you have any questions please let us know at atfuturestarsleague@outlook.com.

COMMITTEE

One of the things we are introducing is a Future Stars committee and we are looking for a couple of parents to come on board to provide their perspective and have input to the running of the competition.

We do not expect this will take up too much of your time but we are interested in your thoughts. If you are interested please let us know at futurestarsleague@outlook.com.

NABC FUTURE STARS

COACHES

Each team will need to have a nominated coach for both training and game days. Our preference is this is one of the parents involved in the team. The coach will need the appropriate working with children clearance but these are relatively easy to obtain and we can assist with these.

There is an online Community Coach available but if there is enough interest we can organise to run a course for coaches to gain further accreditation.

In a limited number of cases North Adelaide may be able to provide your team with a coach but this will be at additional cost to you as these coaches are paid. If your team is requiring a paid coach can you please let us know as soon as possible.

Once teams are formed can you please send the name of your team coach to futurestarsleague@outlook.com.

TEAM MANAGERS

Each team will also need to have a nominated team manager and this should be a parent. This person will be the contact person between the team and the FS management team. It will be a much smoother process if we have only one point of contact with each team.

There will be a few tasks involved to ensure the smooth running of the team. None of these are difficult and include:-

- > ensuring players are registered
- > ensuring game day payment for the team is made (see below)
- > creating a scoring roster for the other parents in the team
- > being the contact point for the team

If there is a need we can organise to run a training course for parents to learn how to score.

Once teams are formed can you please send the name of your team manager to futurestarsleague@outlook.com.

FEES

BSA Registration fee – all players must be registered with Basketball South Australia to participate in a competition and is paid directly to them by you.

Future Stars Registration Fee – A registration fee of \$80 will be required for the 2022 / 2023 summer season and covers the costs of administration, insurance and training. Teams in the age groups U16 boys and above will pay a reduced fee of \$30 as we will not be providing a training time for them (see below).

For players in all girl's teams and teams U14 boys and below there is no reduction unless the entire team opts out of training for the full season. You will need to advise us of this prior to the commencement of training sessions.

This link [Future Stars BSA GameDay Registration](#) needs to be completed for all players. It covers your BSA registration fee (see above) and a \$10 deposit for your Future Stars fees to secure your place. You will receive an invoice for the balance.

Game Fees – every team will be required to pay a game fee of \$55 to play every week via an app called Teampay. This allows individual electronic payment from each player, rather than one person having to collect the money and make a payment on behalf of the team.

The team manager will simply select who's playing from your team, hit confirm and the match fees will evenly transfer for each player from your nominated account.

This is a very simple process but if you need any assistance please let us know.

TRAININGS

We will provide a training time for all girl's teams and boys from U8 to U14 inclusive at the Lights. These will be spread across Monday, Tuesday & Thursdays between 4pm and 6pm.

We cannot promise to cater for all requests but if your team (no individual requests please) has a preference of training day please let us know.

Due to previous poor attendance, training will not be provided for teams in U16boys and above.

MEETING

We will be holding an information meeting for coaches and team managers at 10am on Saturday 22nd October at the Lights to run through some things and give you the opportunity to ask any questions you may have.

UNIFORMS

For new teams we will have uniforms available for sizing and purchase at the meeting on the Saturday 22nd. The cost of a uniforms is \$70.

NABC FUTURE STARS

As we are a volunteer group with most of us having full time work we ask that communication is via email to futurestarsleague@outlook.com
