Presidents and Vice Presidents Message

So close now everyone! That time of year again when you smell the cut grass, get hayfever and pull out the cricket bag to discover something you probably should have taken out before storing it away over winter!

This is probably the busiest time for the committee and all the volunteers, particularly with PlayHQ replacing MyCricket this season. Please ensure you follow the tips on how to register as a player, coach, other roles etc later in the newsletter as this enables us to set up matches in PlayHQ and use online scoring. Thanks to all the club volunteers who have attended many online and face to face PlayHQ sessions and done a mountain of work in getting us to this point.

Teampay is also now available for players to pay their weekly match payments online. Again, follow the instructions later in the newsletter to set yourself up and help us streamline this process. This will greatly reduce our administrative burden, so please support this initiative. Thanks Roger for taking the lead on this wonderful initiative.

Next Thursday is our season launch and we invite the whole club to come along to kick the season off with us. There will be a special cap presentation to our brand-new women's team and our selected first XI side along with lots of finger food for a small entry fee. We have also invited all our sponsors along to meet our members and have organised some door prizes and a raffle to make the night even more enjoyable. We will aim to keep the key club messages short with the aim of getting you all home at a reasonable hour.

Last but certainly not least we wish all our teams good luck for round 1 and the season ahead. Whilst we are always focused on having fun playing cricket, let's ensure we also bank some wins early and set up the season for success in our competitive grades. Let's also make sure we play the game in the right spirit, respecting officials, our opponents, and our fellow Nuna team members.
