## President's Report

Hope you are all staying warm and enjoying the wonderful Ashes series between Australia and England. Two nil as I write this!!

Plenty going on behind the scenes even though we are in the middle of winter. Preparations are well underway for a enjoyable and hopefully successful season 23/24. I would like to thank everyone who attended the AGM recently. It was great to have such a good turnout on a cold June evening. It also marked the end of Dave Cowell's time as president. He has made a massive contribution to this club over his time on the committee. Thanks for all your hard work Dave in keeping our great club alive and for leaving the role with the club in a wonderful position. We can't overestimate how big his shoes will be to fill.

I would also like to welcome a few new faces to the committee for the new season. Lynda Senn as vice president brings a great knowledge and passion for cricket. She also has terrific knowledge of cricket administration, having been treasurer on BHRDCA for several seasons now. She will be wonderful asset on the committee. Lynda, along with Bec Brown (see more about her new role later on), will also help the committee in continuing to make the club a more welcoming environment for women and families.

Ivan Van Der Wert, who joined our club last season along with his son Jai, has also put his hand up to join the committee. They both found our club to be very welcoming in their first season and we are grateful for their contribution to Nuna.
