## PRESIDENT'S REPORT

### **Season 2021/22**

A truly outstanding season from the club both on-field and off-field.

#### **Flagdogs**

About this time last year when we discovered we would be placed in Division 2 for the 3rds and 4ths I fielded about 30 calls and texts from disgruntled players and supporters. My response to all was "If we think we are that good, then we better win our way up". I couldn't be prouder of the two sides, to not only finish the season with premierships but do so finishing on top of the ladder. An outstanding achievement and Travis and Richard should be proud of their leadership. Premierships are something that we as club don't forget and certainly the players themselves. There is a bond for life and we look forward to celebrating a double premiership for many years to come.

The evening where the club won all 4 first finals will be something I never forget for a very long time. A proud moment to reflect on.

#### **1<sup>st</sup> and 2<sup>nd</sup> XI**

Two semi-finals with both sides leaving with a few "what if's" made us all proud. With our 3rds and 4ths wining convincingly most weeks, the gap between 2<sup>nd</sup> XI and 3<sup>rd</sup> XI became much larger. Kyle and Geoff are to be congratulated for their outstanding leadership to trust the players being promoted, often on the back of playing soft opposition the week before.

Both sides overcame many hurdles across the season, dodgy wash outs, covid impacts and damaged wickets just to share a few. To finish the season the way did on the back of some outstanding wins and then a first final win is something to be proud of and build on.

#### **5<sup>th</sup> XI**

The hardest hit side yet one of our biggest improvers. Many close losses where if the result going the other way would have seen them play finals. Thank you to Paul again for his leadership in that side and maximising opportunities for players to play/double up/develop on a Sunday. To the players who doubled up, thank you very much for your support.

Finally, thank you to Rex Bennett and James Lowrie for the roles they played in developing our players and supporting the selection team.

Finally, finishing in 4<sup>th</sup> position in the VSDCA Club Championship was an outstanding achievement and something to be celebrated.

#### **COVID-19**

Whilst we welcomed the easing of restrictions we were still the hardest hit club when it came to the rules we had to follow. The early vaccine mandate added stress to our committee members as we had a "no jab, no play" policy for all games at the college. This wasn't well received across the whole competition but it was the rules we lived under. Another season with no pre-season heavily impacted our preparation for junior, senior and JG Craig.

Once again, I was blown away by the maturity of our club to roll up our sleeves and get on with the job. Kyle had every excuse to begin with but was amazing in his understanding and his ability to maximise what we had.

Christmas period was a tough one with on average 15 players out per week over January. Despite this we were always able to field full sides throughout.

Whilst we are not fully out of yet, I can't express my gratitude enough to the committee for their tireless work, the support of the College and each and every player, parent and supporter for their understanding and acceptance.

#### **Veterans cricket.**

18 months in the making but we launched our veterans program with an Over 50s and Over 60s team. Playing on Sunday's as St Bernard's-Essendon, the Over 50s featured past players, life members and junior parents with the Over 60s largely the Essendon CC squad.

It was great to see both ovals on a Sunday being used and their support of the bar was fantastic.

Thank you to Phil Conlan, Duncan Hefter and Richard Zammit for their organisation and guidance. To have another arm of our cricket club founded and provide an opportunity to reconnect with past players is something we are very excited about for the future.

### **King Kyle**

In his first season at the club, Kyle took home the Beau Redmond medal as club champion. He enjoyed a super season in his first in the VSDCA proving himself to be one of the competitions best bowlers.

He took 40 wickets @10.88 to go along with 218 runs at 19.82. His death bowling in crucial games in consecutive days against Mt Waverly and Strathmore went along way to booking us a spot in the finals.

Congratulations Kyle.

### **Henry the Hero**

It was great to welcome back Henry Jaggard after a short absence. Henry drove from Mornington after track work each Saturday to play and given the position of the club found himself being the senior batsmen in the 4<sup>th</sup> XI.

A season which resulted in 528 runs @ 66 which included 2 centuries to go along with his 16 wickets won him the Association Award as 4<sup>th</sup> XI Player of the Season.

### **Kyle and Rory Team of the Year**

Very proud to have 2 players in Kyle Adams and Rory Collins make the VSDCA 1<sup>st</sup> XI Team of the Year. An outstanding achievement to have Kyle as the opening bowler and Rory as the Wicketkeeper/Bat. To have 2 players in the 11 spots was a proud moment for our club.

### **Patrick O'Connell is Best Club Person**

Patrick O'Connell laid bare his outstanding leadership skills and his hard worked earned him the Best Club Person Award. Someone who usually likes to be behind the scenes and pull the strings, Pat was thrust into the public domain to lead the club on many occasions.

His willingness to get the job done on many occasions whether it was helping the girls training, locking/unlocking, serving the bar on Sunday's and being just an outstanding sounding board for the committee, it was just reward for his efforts.

Congratulations Pat.

### **Live Streaming arrives**

St Bernard's OCCC entered the world of Live Streaming and invested in a FrogBox. The results proved very popular with our games shown worldwide and allowed for our supporters far and wide to tune into the Snake Pit and watch the Oval 1 match.

Dan O'Connell did an outstanding job with cutting the clips for our socials which produced on average about 80,000 views per week. Another important avenue to showcasing our first class facilities and cricket talents to potential future players and families. It will also prove key to increasing our sponsorship opportunities in future years.

The club has purchased a second box to show Oval 2 games from next season. We will be one of only a few clubs to begin this. This will allow all players the opportunity to watch vision of their games to help their development. The Sunday 5<sup>th</sup> XI will also have the opportunity to have their matches streamed.

### **Geoff Kiker 300 VSDCA Games**

It was a pleasure to have the opportunity to celebrate Geoff Kiker's 300<sup>th</sup> VSDCA game. Along with Balwyn who had representatives we enjoyed a great evening hearing about our 2<sup>nd</sup> XI captain who is held in great esteem at two clubs.

Congratulations Geoff.

### **Juniors**

Another great year for our juniors as we fielded 3 x Under 10s, 2 x Under 12s, 2 x Under 14s 1 x Under 16s and an Under 12 girls' team.

This season was David Micallef's last as junior coordinator and we thank him for his contribution to junior cricket at our club. Along with Meagan Bourke and Emma Antounis we are fortunate to have great parents ensuring our junior cricket goes from strength to strength.

Past president and Life Member Anthony Jordan will take over from next season and beyond. It is great to be in a position to field 2 x under 16s and return to having a minimum of two sides in each grade.

### **Girls Cricket**

Whilst we have had many girls play for our club in the past it was a proud moment when we fielded our own all-girls junior side. Led by Annie (ex-Milo Blaster) and Lillie, the girls worked hard to bring some friends across and field a team. Plenty of enthusiasm from the girls and so much improvement saw them make it to the finals.

Thank you to Nathan Bartolo for his coaching of the side and Patrick O'Connell and Gus Noonan who were on hand to help at various points in the season.

### **Craig Osborne Life membership**

The club inducted Craig Osborne as the 25<sup>th</sup> Life Member of the St Bernard's Old Collegians Cricket Club.

Craig has won a record 9 Beau Redmond medals as our voted best player and resisted over many years multiple offers that came to him to leave our club and take his talents elsewhere – selfless commitment to our club when our on-field performances would have led other players of his ability to leave for “greener pastures”.

Craig was captain of our last first XI premiership and named Captain of the best 12 players for our first 50 years. He has made a remarkable on field contribution to our club.

As a committee member over many years prior to standing down to accept the first XI captaincy – Craig added value to the off-field challenges of the club and continues to do so whilst holding a senior role at the College and is a past Best Clubman. Craig stepped into the First XI captaincy role in partnership with Rex Bennett as senior coach and led the club to a very successful period.

### **Turf Net project off the ground**

After many years of persistence, the committee is pleased to announce that the clubs turf net facility will be constructed in 2022 for use in the 2022/23 season.

In the early stages of our VSDCA tenure we acknowledged that to enhance our development, training on turf would play a key role. Starting in February 2018 and in tough discussions with the college we are in a position to start. With the help of sponsors and grants the impact on the club will be minimal.

Thank you to John Jordan, Chris Spinella, Terry Davis, Justin Noonan, Patrick O'Connell and Tom Isaacs for your work throughout.

### **President's thanks**

I take great pride in leading this club and I don't for a minute take it for granted. I am very grateful to the committee for their hard work all season.

Patrick O'Connell as one of the Vice-Presidents. Thank you for advice, consultation and guidance throughout the season. Especially in my many absences, the club was able to continue and thrive under your guidance.

Alex Turner as Secretary, thank you for the extra jobs your role entails. Thank you to all committee members for giving your time to help run our great club.

Terry Davis, without your tireless work running the day-to-day events of this club we would not be able to play. You provide me with great support and guidance whenever asked and you assist me greatly to do my job.

Glenn Scarborough and Greg Salamito for being our scorers on Saturdays, I thank you for giving up your time to assist our players.

Duncan Hefter as club historian, thank you very much for the tireless and consistent work in keeping our historical statistics up to date.

Tom Isaacs, Jason Bourke, Anthony Jordan, Geoff Kiker, Chris Spinella, Luke Davis and Duncan Hefter, thank you for your counsel on all things cricket throughout the season. To know I can pick up the phone and discuss matters as they arise is a great help. The club is grateful to have such passionate people who want to see it succeed.

Finally, to my wife Emma, daughter Zara and sons Archer and Henry. Thank you for all your support during the season. Without it, I could not perform this role.

Looking forward to a strong 2022/23 season,

Brendan Davey  
President

## COACHES REPORT

A new year but some very similar challenges faced the club, Covid certainly hadn't gone away and that left our Preseason heavily impacted and pushed back the start of the season to November once again.

The positive side of it was once the season was confirmed as 1-day games we were able to focus our training and match day ideas to suit.

As a club I thought we adjusted brilliantly to the shortened pre-season considering we didn't have access to the school in the early stages of training having to use Fairburn Park instead, Numbers were superb and we were able to get into throwing fielding and some bowling on grass.

Once we were back at the school training really took off, I thought our application for training was great, our lowest numbers for a training night for the season was 27 and some nights we would have 44+. With covid and other commitments I thought this was something that really set us up to have the season we did.

### **Highlights**

As a coach I set out some targets at the start of the year on areas where we could improve as a club this was 50s, 100s and 5 wickets in an innings.

Last year the club in a full 1-day season only managed 17x50s, 3x100s and 3x5fa as a group we managed to pass this with still a few rounds remaining and ended the season with 40x50s, 6x100s and 5x5fa to double last season's output was remarkable.

Some more special achievements were for the club to have 2 players make Team Of The Year and finishing 4<sup>th</sup> in the Club Championship.

All 4 sides playing finals- great reward for effort throughout the year and to achieve this for the first time in subbies cricket for the club.

The 3s and 4s Grand Final victories to have 2 sides in a grand final is something but to win them both is outstanding Congratulations to Trav Carrick, Richard Zammit and their sides

The Double header weekend in the 1s, from being down and out in both games to pulling off 2 wins. This really set the tone for the 1s and propelled our season forward it gave the guys the belief that we really could win from anywhere.

### **Special mentions**

Aaron Smillie was superb in assisting with fielding drills and talking to bowlers and helping them develop their game.

Rory Collins from his first session was over running drills with the keepers and making sure they were improving their craft the benefits the club has received with that are already showing I believe with Rory and Blake we have 2 of the best keepers in the competition and the steady development of James Gray was there for everyone to see.

Greg Salamito

This season Greg put his hand up to run the nets for me and was a great help, I was able to tell Greg how I wanted the nets managed. Greg was meticulous with training attendances, who needed to bat, time to bat and whether there was enough bowlers in the nets, the time and effort this takes shows his commitment to the club add in his scoring on a Saturday and its pretty much a Part time job.

### **Final Words**

For the club 2022/23 will be a different challenge with the reintroduction of 2-day cricket and then the changing of Divisions for the 1sts and 2nds while also moving up a division for the 3rds and 4ths.

As a club we can't remain satisfied with what we have achieved rather be hungry for more success and improvement. Clubs will have a target for us now and view us as a big scalp.

Id like to thank everyone for welcoming me into the club and look forward to building on this years success Go Snowdogs

Kyle Adams

**Club Coach**

## JUNIOR CO-ORDINATOR'S REPORT

Another interrupted season by COVID resulting in Vaccine mandates, a later start to the season and general interruptions due to families needing to isolate. All in all the season ran quite well, however it was a shorter season with 10 rounds which of course was shortened by a few adverse weather evenings.

Once again, ground availability was a big problem and in the initial ground distribution, St Bernard's were once again given ZERO grounds. It took a lot of hassling to be given one ½ share of a field at Fairbairn Park, which meant it looked like one of our teams (the U 16s) would not have a ground and would have to play on a Thursday night.

This did not eventuate with us given a reprieve due to another team pulling out of the competition allowing us to get another ½ share ground at Fairbairn Park.

The 9 on a field in U 12s probably has inflated team numbers in the u 12 age group meaning ground availability will be an ongoing problem.

Disturbingly this is now 2 years in a row MVCC have given St Bernard's zero allocation in the initial distribution.

In discussion with Brendan Davey the club could consider the purchase of a roll out pitch for an approximate cost of \$1500. The cost could be offset by BBQ and bar being open at junior games as there is the potential for 5 junior games at home on a Friday night (3 U10s, 1 U 12s, 1 other on synthetic). This would create a really big buzz around the place and make it worthwhile to have the canteen open.

This year the club started with 97 registered kids playing in 8 teams, which was 10 more than the previous year. This allowed us to field a 3<sup>rd</sup> U 10 team. Unfortunately, many of the U 10s dropped out to a variety of reasons at the start of the season making our 3 U10 teams cope with bare minimum of 8 players per team. Some of the kids dropped out due to the circumstances around COVID, the schools vaccine mandate but there were also a few kids who lacked the confidence to persist with cricket after the first few weeks.

A first for this season and a big credit to Brendan Davey for getting this off the ground with Joanie Bartolo and Nathan Harding who managed to field St Bernard's juniors very first girls team being an 8 girl U 12 team.

### **2021-22 teams**

3 x U10

2 x U12 (both Fri)

2 x U14 (1 Fri , 1 sat)

1 x U16

1 x U12 Girls

A major improvement in the 2<sup>nd</sup> half of the year for junior club this year was the increased support of the senior club involved at junior training. I stressed this quite clearly in my review last season and it was encouraging to see the senior club make a big effort in coaching juniors for the 2<sup>nd</sup> half of this season. All age groups benefited from the more expert coaching from senior playing group and the U 16 team has commenced training with the senior teams, which will have the benefit of helping the U16s make a smoother transition into senior cricket.

The Craig Shield Squad was undermanned this season and I believe there should be a review and some new strategies investigated to try to recruit a stronger team. A logical pathway would be for the club to have increased exposure to the Year 7,8,9 1<sup>st</sup> 11 school cricket team. If we can get best kids at the school who play with other clubs it will help us field a better team.

3 teams made it through to the Semi-finals, both U 12 teams and the U 16 teams. Only the U 12 gold team made it to the GF, losing against Essendon, however the standard of cricket at this game was quite impressive and Essendon had been the absolute stand out all year.

The junior club is slowly making headway with organising a junior committee to help spread the work load. Meaghan Bourke, Emma Antonius and Anthony Jordan will start the planning and organising of the 2021-22 season

Next season it almost certain that most of the U 16s will play on Saturday morning. Mitch Roggenkamp has already offered to coach and he believes he has a full list of players. By spreading teams across Fri and Sat it will help ease the burden of ground availability.

I would hope we would get close to running the exact same number of teams next season with U 16s switched to Saturday. I am not sure if we will manage to get numbers for a 2<sup>nd</sup> U16s team however it may still be a possibility.

I am unsure of the exact ages of our group of girls but am under the impression they will most likely move up to the U 14 age group meaning they are now allowed to play with 9 players on field, so there is room to try to recruit 1-2 more players as the.

My time as the Junior Co-ordinator is now finished as we transition into the new junior committee taking over. I would like to thank the committee for their support the last 4-5 years.

David Micallef  
Junior Coordinator

## 1<sup>ST</sup> XI CAPTAIN'S REPORT

The First team had a wonderful season with valuable input from pretty much everyone that played in the team. The ability to have players come in when others missed due to covid, work commitments or injury was the main reason why the team was able to reach a Semi Final and nearly make a Grand Final.

The season started with a Washout but finally we were able to get out onto the park with the season starting against Preston. As a team we couldn't have started the year any better with a resounding win after making 265 thanks to a massive 136\* to Spinella and a handy first 50 on debut to Rory Collins. In reply Preston were never in the contest bundled out for 94 our season was off to the perfect start.

Over the next few weeks our inconsistency with the bat hurt us and with a game rescheduled till after Christmas we entered the Christmas break with only 2 wins. Even though the wins weren't there I thought the attitude of the side and commitment was there and that we just needed to stick to our gameplan and for batsmen to go on with a start. Chris Spinella was the main batsmen we were all building around and I was sure a few more weren't far away.

As a bowling group I thought we were disciplined all season rarely letting through more than 6 extras a game.

Aaron Smillie didn't get the reward for how he bowled and as a bowler I was the lucky recipient at the other end, Shieldsy after missing the start of the season had the knack of picking up a wicket or 2 very early in a spell with Ameya and Rowdy being very consistent and tight when called upon.

After the Christmas break we were 1 win and 1 loss when we had a double header weekend. We had an amazing 2 days of cricket and though both games looked dead and buried we somehow managed to pull a rabbit out of the hat. On Saturday it was the contributions of James Davey with bat and ball that got us going, the Sunday it was Conor Mcguire taking key wickets to open an end up for us. This was the momentum we needed for the group as I feel we knew we could win from any position from that point till finals we only dropped 1 game to have us end up finishing 5<sup>th</sup>.

With the first final at Endeavour Hills some gritty batting by Rory and some late hitting from Shileds it propped us to a defendable score, true to our season all the bowlers bowled with great discipline and we were able to roll them 20 short of our total unfortunately we weren't able to reproduce our bowling performance in the Semi Final and while all year we had been miserly with Extras we bowled 29 and when your defending a small total these little things end up hurting you.

I feel the marked improvement with the bat as the season went on stands us in good stead to push forward next year Tristan Kassis, Rory Collins and Chris Spinella all had fine years scoring over 400 runs with Chris taking out another Batting award.

The bowlers as a group really stood up and while I may have taken more wickets I feel it was as a group that we achieved the results sides could hardly score against Aaron and knew they had to target others, our Bowlers were able to execute from ball 1 more often than not. Luke Davis, Stephen Shields, James Davey, Ameya Gharat and Conor Mcguire all took vital wickets throughout games and were able to execute to set fields and plans.

Thanks to Scatters for scoring most weeks and to Greg Salamito coming to do it when Scatters was unavailable this makes playing and coaching so much easier.

Also, a massive thanks to Brendan Davey who's help through the season was greatly appreciated and helped in easing me into the club

Hungry For More in 2022/23

Kyle Adams  
1<sup>st</sup> XI Captain

## 2<sup>ND</sup> XI CAPTAIN'S REPORT

We had a positive year in season 21/22 making it into the semi-final. While it resulted in a loss to the eventual premiers, to the credit of the team all year we fought hard to the end. The boys played some exciting cricket throughout the season and we mixed it with the best.

We beat Croydon on both occasions with some unbelievable team cricket - they were top most of the year and the team to beat. To defeat Croydon at their home ground in a final was one of the greatest victories I can say I have been a part of as captain, and I couldn't be prouder of where the 2<sup>nd</sup> XI boys have come over the past three years. We are now the team to beat and will continue to work hard on improving more and more each year.

Some individual and overall performances from the year include:

- Patrick O'Connell's reward for hard work and taking that next step in leadership and owning the No.3 position with 505 runs @ 50.50. Also finishing second in the 2<sup>nd</sup> XI medal was a great achievement.
- Jordon Mills 106 against Plenty Valley, his first for the club, was a terrific knock and from there went on to make two 50's in the 1<sup>st</sup> XI.
- Chris Davis leading the comp for the 2<sup>nd</sup> XI with 31 wickets @ 14.03. Chris is a brilliant example of making sure his body is ready to go every game day and he will push through for the team regardless.

In our 2<sup>nd</sup> XI squad this season we had 24 players go through the ranks, with 10 under 21 years old mix with the senior guys. As for team selection, we don't always get it right but, we reward young guys for their performances and work rate and give them a taste to play at a higher level. Debuting this season in the 2<sup>nd</sup> XI was Ryan Iskra, Oliver Maclaren, Jas Bal and James Gray. There is no doubt the club going forward will continue to have great success and be a great place to play cricket.

I would like to congratulate the STBOCC for becoming a most respected club in the VSDCA. Brendan and his team have worked through three of the toughest years in local sport dealing with COVID setbacks time and time again. It has taken a lot of hard work but club success will continue to build more each and every year.

Congratulations to Kyle Adams being appointed to the club and working hard to create a competitive and enjoyable environment on and off the field. Bringing together the senior players with the younger guys, and building as one from top to bottom has led to premierships in the 3<sup>rd</sup> XI & 4<sup>th</sup> XI, the 1<sup>st</sup> & 2nds making finals, and the club reaching its best ever Club Championship result.

Thank you to Brendan Davey and the SBOCCC Committee for the tireless work they do week in and week out to make my job easier and let me skipper this great bunch of guys. The opportunity to do so is with great honour and I appreciate the support.

Thank you to our scorer Greg Salamito, Coach Kyle, Chairman of selectors Rex, captains Trav, Richard and Paul for your support in 21/22. I look forward to seeing more premierships for the SnowDogs.

The Club is in a fantastic position to continue to build on its success.

Geoff Kiker  
2nd XI Captain

### 3<sup>RD</sup> XI CAPTAIN'S REPORT

Firstly, I would just like to thank the committee for asking me to captain the thirds this season. It is a tremendous honour to captain a side at this club, and something that I am very proud to do. I would also like to thank all our wives, partners and families. It is a big thing to reserve an entire day to ourselves. Especially, those of us that don't play at the higher levels to sacrifice weddings, holidays whatever.... Not to mention training as well.

Thank you also to all those that helped me in the role this year. Wadey, Browney and Jilla thank you for being a solid sounding board for thoughts on all things this year both during the games and during the week. Thank you also to the selection committee, I really appreciated the discussions we had during the season. It was great learning from your experience and listening to your thoughts and feedback during the week, it was something that I really valued and looked forward to hearing. Thank you to Kyle. Thank you so much for everything that you have brought to our club this season. Culture is an extremely hard thing to change in any organisation. But, I believe you have made a massive first step in doing that this season. I would also like to thank Rory. The way you took all the keepers under your wing, has been truly something humbling and something that I hope ripples out to the rest of the club. I would also like to thank Tim Gray for all the support he gave the team throughout the season and the feedback he gave me. It really helped having someone from outside the game giving feedback and it was certainly valued. Thank you to all those involved in frogbox, it certainly is something that all your time learning and implementing it is tremendously appreciated.

And thank you to all the 27 players that played in thirds this year. All of you make me a better person and feel so much younger. I love being able to play in the same side as you guys and most of all I love learning off you.

I am truly excited about the opportunities next season brings. But to use a Steve Jobs quote

**“Don't dwell on your successes, move on to the next big thing.**

I think if you do something and it turns out pretty good, then you should go do something else wonderful, not dwell on it for too long. Just figure out what's next.”

In the 3s and 4s hopefully our next big thing is div 1. Can't wait to see what we can do...

Looking at our averages for our bowling and comparing them to last year it is great to see that of our top 5 performers this year, 3 weren't in the threes at all last year. This is yet another indication of how well our development of young players is going. Xav, Ollie and Szauer all bowled at key moments during the year and really solidified their growth.

The other two bowlers I think also grew this year but in different ways. Browney showed signs of his old self during the season. But I think his biggest achievement was being able to come back into the side after his hamstring injury and pretty much turn the game in the semi for us. And Wadey. He was amazing this season with the ball. I can't think of a time all season that he came on and it was an easy time. I think every time I asked him to come on it was at the death or to slow a run rate down. And he did that without a question, but he also did it and won the 3s bowling average, something even more commendable!

Last year when I summed up our batting I said that it comes as no surprise that batting was our weakness. We only had two partnerships over 50, and 4 individual scores over 50.

This year what a difference. We had 12 scores over 50, and two centuries. We had more than two 50 run partnerships in the grand final, not to mention the season.

What was fantastic was who made the big scores.

Sal, Szauer, and Gray. As well as older heads that, when given an opportunity showed they could still make runs too. It was also great to see so many 3s players move into the higher grades because they made runs.

Last year only 4 players scored over 100 runs for the season this year 9 did. Something that has been few and far between in past years. But what was great to really admire this year was I truly believe that I reckon we were happier when others made a milestone, rather than ourselves. When Sal made his hundred after so many unlucky hits and when Gray made his 50. I really believe the rest of the team was super proud of them. Not to mention Marras' hundred in the Grand Final.

Matt Noonan was tremendous for us and went on to solidify his spot in the 2s. It was great to see him take the bull by the horns this year and really show how he can dominate games of cricket.

I would just like to make mention of Lachie Wade again who really stepped up his game this year. He went from hoping to make runs to making runs at crucial times. He went from fielding well each game to taking key catches and some pretty awesome ones at that. With Bourkey and AJ leaving our side it left some pretty big shoes to fill. Especially at slip. And as spoken beforehand he changed games when he bowled, never bowling at times, bowlers like to bowl at. He helped me tremendously throughout the season and look forward to seeing where the next season takes him.

Travis Carrick

**3<sup>rd</sup> XI Captain**

## 4<sup>TH</sup> XI CAPTAIN'S REPORT

After significant improvement and finishing 5<sup>th</sup> during the 2020/21 season, we were looking forward to another season of improvement and an opportunity to again play finals. The VSDCA change resulting in a split of grades was somewhat of a disappointment initially but forced us to reassess our goals for the year. We changed our target to finishing on top of the ladder. Thankfully we achieved that goal and won the flag.

This year we again had a side that was very balanced when we had full available giving us plenty of batting and bowling options. I would like to acknowledge Kyle and the other captain, Geoff, Travis, and Paul at this point for taking a pragmatic approach to selection allowing us to field competitive sides while balancing development of players. A number of players that started in the 4<sup>th</sup> XI were promoted into the upper grades and continued to develop.

They say that great sides find a way to win and the initial part of the season saw us scrape through against Strathmore and Melton, relying on some individual effort to get us over the line.

We were then on a roll winning the first eight games of the season. After the first six games the club was hit hard with unavailability. I would like to thank our over 50s and fill-ins as without them we would have been struggling to field a side and ultimately not finished on top. With so many unavailable we limped to the end of the season losing three of the last four games although we were still confident that once we had our regular side together we would be a force. The blessing over this period was that we unearthed some additional bowling options, got the opportunity to give the younger guys an opportunity to bat up the order and gave Bailey Murphy the opportunity to keep for a number of games.

I thought that a number of players grew in confidence as the season went on. They found their voice in the field, had enthusiasm and we keen to give suggestions. The fielding became a real differentiator between us and the rest of the competition.

From a batting perspective the side was built around Henry Jaggard who amassed an incredible 528 runs at 66. This included 2 hundred, a ninety and a seventy in the GF which I believe was his best innings. He was well supported by Matthew Bergin 209 @19 and Adam Hefter 170@28. There were some notable partnerships with two greater than 100; 120 (Zammit/Bergin) and 127\*(Jaggard/A.Hefter). Pleasingly, we had at least one over fifty partnerships in most games. More often than not we got the job done in the top order but there were many cameo roles from various players during the year. The selflessness of our team was another feature with many regular batters needing to bat out of position due to the game situation or line up.

Our bowling was a real feature this year with five bowlers taking more than 10 wickets for the season. In addition to the batting, Henry lead the bowling with 16 [wickets @11.2](#) often used in bursts to break partnerships. He was supported well with Brendan 13 @11.2 (including 5/11 v Altona); Alex Turner 13 @14.5; Jamie Bialecki 12 @20.4. There were many good performances from others including Marcus Germani, Markus Szauer and Jas Bal all of whom played 3<sup>rds</sup> during the year. I would like to especially call out Adam Hefter and Ryan Zammit who, when our regular side was decimated with unavailability, took on lead roles and were effective in building pressure and taking wickets.

It would not be fitting to talk specifically about the Grand Final against Melton in a premiership year. We took a little bit of a gamble a soft wicket that proved tough to bat on early. Adam, Bergs and Henry all struggled with their bowlers bowling perfect line and length. With 15 overs down we had only about 30 or so runs on the board but had wickets in hand. That's when a terrific partnership between Henry and Krish Kanchan got the score moving and added 70. From there the boys played selfless cricket to add over 100 runs in the last 20 overs. With that burst of runs at the end we were right in the game but we were aware that Melton had many big hitters and proved it when they comprehensively beat us in round 10.

We were switched on in the field from the first over with Krish's opening his spell with unplayable outswing bowling and Jamie inswing from the other end. Both broke through early with Jamie snaring their opener with a great caught and bowled. We took the learnings from the previous games against Melton, and I was ecstatic that almost all the dismissals were as a result of specific plans to their batsmen. We also didn't let them settle into any bowlers and this proved vital with wickets falling regularly as they tried to force the scoring. All of our blowing did a great job with Krish, Jamie, Marcus Szauer, Markus Germani and Ryan all taking two each. The saying goes catches win matches and in this final it couldn't be truer. All 10 wicket were catches and at least half of them were difficult chances.

I would like to congratulate the 30 players that contributed to the 4<sup>th</sup> XI. Their attitude and effort could not be questioned throughout the year. Thank you to Adam who captained a game in my absence as well as Alex and Brendan who all provided me with support.

Congratulations to the 3rds who also won the flag. Well done to our 1<sup>st</sup> and 2nds who were so close to a grand final and our Sunday team who achieved their best result to date.

To the committee, thank you for again entrusting me again to develop our talent and future leaders and to giving the opportunity to win my first ever Grand Final, something I will cherish forever.

Richard Zammit

4<sup>th</sup> XI Captain

## 5<sup>th</sup> XI CAPTAIN'S REPORT

2021/22 saw the 5<sup>th</sup> XI make some excellent growth in areas that the club leadership team identified as key priorities for the future of the club. While on-field results were encouraging, the real excitement came from the senior debuts made by the club's up and comers. Ben Grant, Aaron Goyal, Anthony Grobler, Bailey Murphy and Matt Roggenkamp each made impressive contributions to the 5<sup>th</sup> XI in their first year, in addition to this Will Freebairn and John Harrington and Conor Cheshire continued to build on their experience in senior cricket and establishing themselves as regular openers either with the ball or the bat. The 5<sup>th</sup>s also played an important part in helping higher echelon players find form, get game time in the middle and impart valuable knowledge and wisdom to our junior players as well as providing a solid pathway for our Craig Shield players.

On field results were solid and competitive but at the end of the day not quite enough to give the side victories. Our best cricket was played after the Christmas break, although we only registered one win against Keilor we came close with two 1 wicket losses (in the last over), a 2 wicket loss and a solid performance against the competitions top side proved that we had the players to win. As a side we identified the lack of 'big moment' experience probably cost the side some more wins. For a side that finished on the bottom of the ladder, the team stats and percentage will tell you that we were far from the competitions worst side. This is the knowledge that we need to take forward with us into the new season.

### **Season highlights:**

Our first win for the season came against the previous year's premiers. Although playing under the Grand United banner many of the players formally played for Laverton. This win was highlighted by the emergence of Oliver MacLaren and James Gray who both would go on to play in premierships in higher grades put together a valuable partnership of 56 to help us chase down 153. Oliver adding 58 to his 3/20 was easily the match winner.

Our second win for the season came against Keilor. This win came on the back of two very stiff one wicket losses to Jacana Gold and Grand United. This game there was a point that needed to be proved to ourselves and the rest of the competition that we weren't just there to make up the numbers. This win was set up by an excellent opening partnership and highest of the season of 77. Conor Cheshire after being promoted to the top of the order had found his happy place averaging 39 with the bat after Christmas excellent numbers for any opener. Paul G hit the 5<sup>th</sup> XI's first ever century as well, being dismissed in the last over for 104. Frequent wickets to newcomer Jeremy Cameron, Jamie Bialecki with three each ensured that the Dogs would finally get the win they had deserved.

The 5<sup>th</sup> XI leadership team would like to thank higher XI players: James Browne, Oliver MacLaren, James Gray, Tim Grant, Travis Carrick, Adam Hefter, Tim Gray, Jamie Bialecki, Brendan Davey and Alex Turner for backing up after their Saturday games to play for us and helping us field a side week in and week out. We would also like to thank the tireless efforts of Kyle, Geoff, Travis, Richard and Rex for working hard to ensure that we have enough players.

### **Individual highlights:**

#### **Batting**

This season saw us build on our 2020/21 seasons tally of three half centuries for the season to a tally of five half centuries and one century in season 21/22

#### **Best batting performances for the season include**

Paul Grant 104 vs. Keilor

James Brown 69 vs. Willy Imps

Oliver MacLaren 58 vs. Grand United

Paul Grant 58 vs. St. Albans

Conor Cheshire 55 vs. Jacana Gold

Liam Grant 50 vs. Jacana Gold

#### **Bowling**

The wickets were shared around, and it was very much a team bowling effort. This season saw first senior wickets to Will Freebairn, Aaron Goyal and Ben Grant all showed excellent promise in their respective disciplines.

#### **Best bowling performances for the season include**

Paul Grant 5/50 (inc. hat-trick) vs. Roxburgh Park

Oliver MacLaren 3/20 vs. Grand United

Ben Grant 3/23 vs. Grant United

Jeremy Cameron 3/26 vs. Keilor

Tim Grant 3/28 vs. Jacana Gold

Muim Vahora 3/29 vs. Grand United

Jamie Bialecki 3/30 vs. Keilor

#### **Key performers:**

##### **Batting:**

Paul Grant 309 runs @30.9

##### **Bowling:**

Paul Grant 16 wickets @13.5

Liam Grant 187runs @23.3  
Conor Cheshire 183 runs @26.1  
Bailey Murphy 79 runs @19.7

Muim Vahora 9 wickets @22.4  
Ben Grant 5 wickets @22.8  
Will Freebairn 4 wickets @31.5

**Awards:**

**Batting:** Paul Grant

**Bowling:** Paul Grant

**Best Player:** Conor Cheshire

**Over 50s XI CAPTAINS REPORT**

The season saw establishment of the clubs first ever over 50s side. The team was formed in partnership with the Essendon over 60s Cricket Club, and were known as St Bernard's OCCC – Essendon. A lot of hard work was put in to making it a success and a tremendous amount of work in the formation of the team is attributed to Phil Conlan, Brendan Davey and Richard Zammit and other members of the clubs committee who work diligently behind the scenes. I am sure all involved appreciated your efforts, and on their behalf, I thank you all.

The establishment of the side saw the return to St Bernard's of many legendary past players, including, Greg Sebire, Jack O'Connell, Kornel Dachs, Mick Deasy, Luke Melisi, Mick Wheaton, Mick O'Connell, Phil Conlan and Duncan Hefter and the arrival of some new players who were either dads of our junior players, or friends.

I was great to see that the banter from the playing days of the 80s and 90s had not left, and many a laugh was had at our abilities, speed or lack thereof.

The season saw Phil Conlan appointed Captain, and his enthusiasm and social media and WhatsApp updates kept everyone entertained, bemused, and informed of the clubs goings on. Unfortunately Phil had a knee operation in preseason which restricted his movement, and then he spilt the webbing in his hand taking a one handed caught and bowled in another game, his appearances on the field were mostly limited to cameo bowling appearances due to injuries.

The team played 5 games in D Legends grade, and we received a real eye opener in the early games, where our classic cricket styles and techniques were put to the test by the other sides who being more seasoned, and use to the 40 over game format, they played cricket in the style of - see ball and throw the kitchen sink at it as if it was a T20. Needless to say, our line and length bowling tactics took a hit and we had some "pace" bowling prides hurt (mostly mine and Sebs).

Eventually through fate, and one of the opposition sides being stripped of their match points for playing ineligible players, we ended up winning 3 of our 5 games and playing in a semifinal. The semi was a close fought game but, in the end, we narrowly lost after making 147. Unfortunately for us the opposition had a Victorian over 50s rep player who basically won the game off his own bat making 40 not out in 4 overs.

All in all, the team bonded really well and established old friendships and formed some great new ones. The team always played with great spirit and I look forward to seeing the side develop and gain more younger over 50s players in the coming years to help support the veterans of the team who were eligible to play over 60s cricket.

Kind Regards  
Duncan Hefter  
Over 50s Acting Captain

## JG CRAIG REPORT

Thank you to every player and parent for their fantastic achievement in making the JG Craig Squad. The squad conducted itself brilliantly throughout the tournament, demonstrating the club values of respect and teamwork well. We had a full list of 15 featuring a wide range of different clubs. Congratulations to Ben Grant and Nicholas Cowall who were selected as Co-Captains following the interview process, with Samuel Syan as Vice-Captain.

Results were mixed, with St Bernard's OC coming 7<sup>th</sup> out of 8, gaining one victory and six losses. However, these results do not illustrate the competitiveness of most games. Many results became significant only after teams passed the target score. A stirring run chase in the game of the tournament meant that we achieved a great run chase of 166 away against Preston, finishing with 8/171 after the conclusion of the final over. This performance was highlighted by a brilliant 62 by VC Samuel Syan, and a 51\* (including the winning runs) by young gun Anthony Ruiu, who still has another year of JG Craig to go.

Samuel Syan won the batting award with 168 runs at an average of 28, including 2 half-centuries. Daniel Lombardo took out the bowling award comfortably, with a brilliant 15 wickets at an average of 9.4. Daniel also took the most wickets in the entire JG Craig tournament, a fantastic effort.

Whilst we did finish our season with a comprehensive defeat by Coburg, our season ended perfectly – with the group having fun, finishing with enthusiasm, and enjoying a drink and a snag with new friends and teammates at the club.

All players and families are welcome at St Bernard's OC for the years to come.

Finally, I would like to thank the club, the committee, and the Senior players and parents who assisted me in coaching the JG Craig team across my seasons as coach. A special thanks to Lachie Wade who I coached alongside in 2021. I have immensely enjoyed the opportunity to assist these young cricketers have a great experience at a high-quality competition, and recommend the experience to anyone who has aspirations for coaching in future.

Kindest,  
Luke Marinelli

## 2021/22 AWARD WINNERS

**1st XI Batting Award-** Chris Spinella  
**1st XI Bowling Award-** Kyle Adams  
**Beau Redmond Medalist-** Kyle Adams

**2nd XI Batting Award-** Patrick O'Connell  
**2nd XI Bowling Award-** Gus Noonan  
**2nd XI Team Award-** Patrick O'Connell

**3rd XI Batting Award-** Sean Hefter  
**3rd XI Bowling Award-** Lachie Wade  
**3rd XI Team Award-** Lachie Wade

**4th XI Batting Award-** Henry Jaggard  
**4th XI Bowling Award-** Henry Jaggard  
**4th XI Team Award-** Henry Jaggard

**5th XI Batting Award-** Paul Grant  
**5th XI Bowling Award-** Paul Grant  
**5th XI Team Award-** Conor Cheshire

**Over 50s Batting Award-** Duncan Hefter  
**Over 50s Bowling Award-** Michael O'Connell  
**Over 50s Team Award-** Michael Deasy

**Terry Davis Junior Club Champion-** James Gray  
**JP Mitchell Most Promising-** Oliver MacLaren  
**PJ Mitchell Best Clubman-** Patrick O'Connell
