## PRESIDENT'S REPORT

12 months certainly is a long time... When sitting down to write last year's President's Report, it felt like we had to put an enormous amount of building blocks in place across a number of areas. I'm pleased to report 12 months later that all of the hard work in bedding down these building blocks has been absolutely worth it, with the club in a great position for now and the future.

Firstly, I would like to congratulate Jamie Jewiss and every member of the premierships winning 5<sup>th</sup> XI for tasting the ultimate success. This team begun from nothing more than an idea, and by season's end had become a group of brothers universally loved by everyone. Realistically it seemed fitting that they were able to win the flag, because good things happen to good people.

Well done also to our Under 16 Premier side who won their way through to the Grand Final against the odds. It was so pleasing to watch your progress over the course of the season, you are now a huge part of not only the present but also the future of this club, and that is extremely exciting.

Stability has been a key theme during the 2015/16 season, which we believe is crucial for the club's long term success both on and off the field. Every decision we make as a committee is always done with this in mind.

We have now managed to dig ourselves out of the financial mire to a point where we are once again not only profitable but also finishing the season with money in the bank, debts of the past finalised and upcoming projects in planning stages. While we certainly will not be splashing around cash for the sake of it, we do pledge to begin to reinvest money back into our club in various ways.

This would not be possible without the hard work and dedication of the committee who served our club proudly over the past season. It should never be forgotten that we are all volunteers. Every bar shift, afternoon tea duty, working bees, extra time spent at the club and committee meeting is done with no personal financial benefit. In some instances, it even costs us money! To see this hard work be franked with a glowing financial report I hope goes some way to making it worthwhile.

We are incredibly fortunate to have a wonderful band of loyal sponsors who look at our partnership as being much more than just a monetary donation. They share our vision, have an interest in our progress and are excited to build a platform for mutual success. Without you our club simply would not survive. Our challenge going forward is to further strengthen those relationships, but we have taken enormous steps forward in that regard already.

I would like to applaud our Senior Coaching Group for the way they have been able to unite what was previously a fractured playing group and have them singing from the same hymn book. Their methods are kept simple and everyone knows where they stand. Success is measured by more than just the win-loss column across the grades, however I know they are driven to achieve greater levels of high performance next season.

At the risk of bragging, our junior program is the envy of clubs throughout the Peninsula. We previously pledged as a committee that more time and effort would go into connecting and resourcing all teams and volunteers, something we believe we improved drastically this season. The implementation of Team Managers and Assistant Coaches in all teams was one such decision that has helped spread the load and ensure communication from the committee to our junior families. Standby for further improvements, things are well and truly in the works already.

One of the great moments at the club this season was our Past Players Day. To see some of the most influential figures in our rich history, many of whom travelled considerable distances to be there, sitting in the change rooms sharing their stories and a cold drink with our current playing group was simply magical. It is something that we do not consider an event or a once-off, this is now standard. Acknowledgement of our past and having their involvement in

our future will continue to be a priority. The door is always open, and the lights are always on!

I don't like to individualise but the club's overall success this season is down to the passion and involvement of a long list of people. I thank you all and look forward to working with you to ensure our future is a bright one and that our presence within the local community remains prominent.

There is something truly special about Langwarrin Cricket Club. Like a family, we sometimes have our moments..! But like a family we laugh together, learn together, grow together, share together, cry together, and we go to war together every Saturday and talk about it afterwards. We all have a role to play in making sure that we have this wonderful place to share together for many years to come.

## COACH'S & FIRST ELEVEN REPORT

After much thought and consideration, accepting the role of Captain/Coach at Langwarrin Cricket club proved to be a great decision. Although the task at first seemed daunting with a possible 7 sides to coach, the professionalism of the club could not come at a higher standard. I was quickly appointed a Team Manager in Tim Harper and Scorer in Roger Brearley, not only great blokes, but have helped enormously throughout the season and I cannot thank them enough. Rob Prosser, put his hand up to help with training and warm ups, which not only alleviates the pressure off me, he has the boys pumped and ready for every game, yet another great bloke to have around, hopefully these boys are ready to help out again next season!

Unfortunately being a playing coach means I don't have a chance to get around the grounds on a Saturday and see our other teams play, however when the results come through of young guys posting good scores, taking wickets and only just missing out on finals all signs point to a positive and successful future.

It was great to watch the 5<sup>th</sup> side, a team made up of Father/Son combinations play in the grand final, getting to see these young kids coming through and the hard work they put into developing their cricket is extraordinary, and to take home the win was even better.

Our numbers at training throughout the year have been great, and I will be working hard in the off season putting plans in place to improve the training process, allowing myself more time to develop the younger players coming through, who would like some extra assistance. It was great to see some of the older more experienced players also helping out the youth of the club, again signs of a great club.

With a developing young 1XI, and many 2nds players knocking on the door for First grade selection we can look forward to a promising season next year. This year saw our firsts take home a win first game up against Mornington, and whilst we played competitive cricket throughout the season we have plenty of work to do, should we want to take home the flag. This season also saw 3 debut first grade players this year in Mitch Bromley, Sam Prosser and Aaron Edwards, all did well and showed they have what it takes not only through talent, but through commitment and hard work, to be playing 1's cricket next year. With Matt Prosser & Simon McEvoy both having a great season, Matt with the bat and ball and Simon opening the batting (proving he can cut it with the young ones!!!), Joel Bateman posting a 70 against the top side POB batting at 3 is another sign our club has strong youth coming through, however, we relied on our experience this year in Al Davie, Simon McEvoy, Mal Coutts and Daniel Bray, moving forward it would be great to see the young blood coming through the ranks.

Nathan Volpe continue to play well throughout the season even with his shoulder injury, standing up and taking wickets when needed. With the return of Jake Prosser to the club this year, he took on an assistant coaching role and helped enormously on game day and at training, along with posting some good scores himself when the game was in the balance. As it was my first season on synthetic it has been a massive learning curve for me and I have taken the time to adjust, some games better than others but I look forward to the year ahead. Adam Campbell was fantastic with the ball and we hope to see him back next year, well rested and ready to go. Taylor Smith was good behind the stumps and worked hard to improve throughout the year. It's been great playing with these guys this year.

It's pleasing to hear our junior players are also doing well, and I look forward to dedicating more of my time to getting to a few more games and offering in a helping hand where I can to develop these amazing young cricketers, the likes of Jai Elcock, Mitch Reid, Nathan and

Josh Guinea shows the depth we have at Langwarrin. Awesome effort for the U16 boys to reach the grand final.

I would like to thank a few people that without their ongoing dedication and hard work, Langwarrin Cricket club would not be the club it is. First to Jack Heverin, thank you for getting me to Langwarrin, my family and I love the club and what it stands for. Craig Morrow and the committee, for all the countless, unpaid work you put into making the club run as smoothly as it does thank you. Kelly and Sandie (and gents!) in the kitchen thank you, it's all the hard work you put in that makes it such a family club. Also a huge Thank you to our sponsors, it's great to have you all on board.

This season has been fantastic and if we continue with the right attitude and dedication we have this year, we have a massive future ahead with many flags to come. I look forward to being a part of it all.

Cheers

## JUNIOR CO-ORDINATORS' REPORT

What a great season the Junior Club had this season. We started off strongly with great numbers at registration in which we fielded 11 teams in all year levels from Under 10 to Under 16. This was an increase of 3 teams from last season. Apart from 1 team, and once they were regraded, all our sides were competitive and show improvement from the start of the season. We had 4 sides just miss out on playing finals with 2 teams (U16 Premier & U12 Provincial) making the finals. Our Under 12 side lost in the Semi Final & our Under 16's lost in the Grand Final to Mornington. Well done to both teams for making the finals and representing our club with pride.

Friday nights this year were massive at the club, where on a couple of occasions all 4 teams (Under 16 & 3 Under 10's) were playing at home and it was great to see so many families down supporting their kids. I would like to thank all the parents who helped with cooking the sausages throughout the season.

This season we introduced 2 coaches per team so that they spend more time developing the kids cricketing skills. All our coaches did a great job this year and put a lot of time into their role and I thank you for their efforts this season. 2015/16 coaches were – Paul Morrow, Dan Oliver, Peter Edwards, Matthew Moore, Michael Heath, Garry Romey, Jamie Jewiss, Mitch Bromley, Greg Talbot, Colin Hammond, Paul Poulios, Chris Brittain, Ryan Sayers, Adam Richmond, Peter Quigley, Matthew Sossi & Kevin Murphy.

This season we held our Presentation Day on Saturday 19<sup>th</sup> March for all teams on one day and from all reports received everyone seemed happy with the format. Please see winners of this year's awards on the following page and well done to all recipients

# TEAM REPORTS

## SECONDS

2015/16 was a challenging year for the second eleven.

With no more than 23 players representing the side over the course of the season, it was very hard to gain any consistency or momentum with our batting or bowling. Given that there was such a high turnover of players through the year, it was a respectable effort to be sitting in the top 4 with a game to play. Unfortunately the last game against Mt.Eliza rammed home the fact that our batting through the course of the year was not consistent enough for us to challenge for the premiership this year.

Being dismissed in under 40 overs in the final one day game justifies that we all need to work hard on putting value on our wicket and being able to build partnerships at crucial times in order to take the game away from the opposition. It's fair to say that it was a rare occasion where our batsman were dismissed by great bowling during the year rather batsman playing and executing poor shots. As a result, we failed to bat our allotment of overs numerous times during the season. This must be an area that our young players continue to work hard on during the off season in order to push for first eleven selection next year.

There were some fantastic highlights from our batsman this year with a special call out to two batsman in Joel Bateman and Jarrod Amalfi. Joel also played ones this year, but came back to capture some form and showed a great attitude and team play in putting his hand up to open the batting when an opener was required in the seconds early in the year. His hard work led to a mountain of runs after Christmas with Joel being able to score a magnificent century against Pines in Rd 8.

Congratulations to Jarrod Amalfi for taking out the batting award this season. A fantastic 100 in less than 50 balls against Moorooduc was the highlight of his year coupled with just under 400 runs for the season at an average of 91.75.

Congratulations to Aubrey D'Silva for taking out the bowling award taking 25 wickets @ 10.28. 'Swooper' always kept us in the game by taking big wickets at key stages during the season. Coupled with being a great bloke and popular team member, he proved to be a great asset to the team.

Finally, I would like to take the opportunity to thank the LCC committee, coaching panel and selection committee in Trav and Adam Campbell, Jake Prosser and Nathan Volpe for their hard work during the year and for giving me the opportunity to lead the second eleven. As always it's a privilege to captain the second eleven.

To the players, thanks for your support and good times during the year. It wasn't what we set out to achieve but hopefully you have taken away key learnings and advice to make you all better players in the future. Continue to work hard on your game and success will follow. Make every post a winner!

Cheers

Byrner  
2<sup>nd</sup> XI Captain

## THIRDS

First of all I would like to thank the committee for the effort that they put in on a weekly basis to ensure that we get to play a game we love every Saturday. To all of the players that played in the 3<sup>rd</sup> XI this year thank you for your effort every week and the good humour that you played the game in each week.

Some of the individual highlights include Craig Edwards with 133 against Tyabb and 98 against Mornington, Josh Burgess with 91 against Pines, 64 against Delacombe Park and 61 against Heatherhill. Chris (Fossil) Bartlett with 75\* against Somerville and young star Jai Elcock in his first 3<sup>rd</sup> XI game with a classy 50\*. The best individual performances with the ball were Jarryd Bartlett with 6/38 against Somerville, Josh Mack with 5/25 against French Island, Chris Bartlett with 5/81 against Mt Martha and Damien Wust with 5/25 against Balnarring. Congratulations to Josh Burgess who took out the Batting award with 240 runs @ 60.00 and Jarryd Bartlett on the bowling award with 20 wickets @ 16.55. Unfortunately we were unable to consistently pick the same side every week due to injuries and unavailability's to enable us to put a strong side on the field every week, this meant for quite a few losses before Christmas and was going to make our run to finals extremely hard. After Christmas things seemed to settle down a little bit and we managed to get on a roll which got us into the top four after beating Pines outright in round 9, A disappointing loss to Mt. Eliza the following week all but ended our season. Even though we managed to defeat top of the Ladder French Island in Round 11 other results did not fall our way and we finished 6 points out of the finals. In all we used 27 players in the 3<sup>rd</sup> XI this season and I would like to thank them all for their effort and great nature in which they played the game every week.

The best thing about the season was the performances of the Young blokes throughout the year with all of them contributing each and every game hopefully they learnt a few things along the way and will play a lot higher for this great club in the years to come. A couple of other highlights was getting to watch Chris and Jarryd Bartlett play together for the entire season and Adrian and Josh Mack get to play their first game of cricket together (they both made a duck). In closing I would like to congratulate Jamie Jewiss and his father son side on achieving the ultimate success, a premiership. To all of the other sides that narrowly missed out on playing finals, come back better next year and give it a real crack to try and achieve great things.

Craig Morrow  
3<sup>rd</sup> XI Captain

## FOURTHS

Firstly I would like to congratulate Jamie Jewiss and the 5<sup>th</sup> XI on their premiership.

To my boys well done on a good year, to jump a couple of grades to play A2 which for us was a testing grade from last season. Our team is based on a lot of shit-stirring with which everyone had a ball throughout the year. Next I'd like to congratulate my U/16 side for filling in when needed, which 9 of my 12 players did, so I think the club has some good young talent coming through. The best performance with the ball was Adam Metters with 7/133 off 33 overs and with the bat it was Chris Aedy with 100. Next to the committee, thanks for all the hard work you do week in week out and I hope more people jump on board next season.

Paul morrow  
4<sup>th</sup> XI captain

## FIFTHS

I would like to start by saying how lucky and honoured I was to be given an opportunity to be Captain of one of the Langwarrin Cricket Club's teams for the first time.

To Jack and all the committee, thank you for your efforts off the field because without you all we would not have had the opportunity to play cricket.

A special thank you to Jack for believing in and supporting my vision in the Father / Son team concept.

To all of my Premiership team mates and everyone that played throughout the season, thank you for your amazing efforts.

To the season, in total we had five Father / Son combinations, one Grandfather / Grandson combination and one Uncle / Nephew combination. We also had three life members in Barry Coutts, Rick Nolde and Michael Spring. We had a club prolific run scorer in Tony Ramsdale, also a 200 plus game player in Mal Reid and a past president and coach of the club in Gary Rees. During the season we had four U14's boys in Jesse Jewiss, Lachlan Jamieson, Liam Ramsdale and Josh Guinea and four U16's boys in Austin Spring, Jai Elcock, Liam Hall and Jesse Peacock play for us. I believe we stayed true to our vision and didn't waiver from it.

To individual performances, I feel it was shared from game to game which set us up perfectly for an onslaught in our bid to win a Premiership.

Overall I feel the future is looking bright with the talent of our junior cricketers that are coming through.

It would be remiss of me not to make a couple of special mentions, first of all to Josh and Nathan Guinea for their amazing commitment and support to our team, also to the coaching staff for their great support and professionalism that was shown throughout the year and to Nathan Volpe for his amazing patience as Chairman of Selectors.

Jamie Jewiss  
5<sup>th</sup> XI Captain

## SIXTHS

First off I would like to say a big thanks to Jack and the committee for backing us to put a one day side in, your support is much appreciated.

Also, special mention to Scotty Morrow for doing a mountain of paperwork to make sure we had everyone's clearances/permits all correct each week.

From a team perspective we set out to get a social side together and bring as many past players back to our great club, even if it was for a one game cameo and with 40 players going through our team we are pretty happy with how the season panned out.

Ultimately on the pitch we fell at the semi-final to a strong Dromana 3s side but we had an absolute blast this year with plenty of laughs and a few good wins along the way. With a bit of luck we hope to see you back next year for a bigger and better year.
