PRESIDENT'S REPORT

Season 21/22

A successful year in my view in many ways, how we judge our year against success internal is through culture and returning of the payers we want to return.

Culture is a forever moving beast, we have a young demographic this is a fact, this is changing because the majority of the committee is senior of this, how we relate is huge but I believe we have a really good engagement of youth at this club.

Moving into next year and further I think we can capitalise on this engagement, the quality of youth is important that I believe we have.

Externally we get judged financially, this we have exceeded what we set out to achieve, we are again making significant profit on the back of last years huge year, really important as we secure our future as a club and with the outlay that is to come with the new clubrooms being built this is a really important time, which to date we are tracking well through.

12 months ago I was thinking we had been through a toughest year a sporting club could go through and that surely that was the end of it.....ah how wrong that was, we again had the challenge of uncertainty, dealing with things like was the season happening, the format, the desire to start a senior women's program, covid protocols, how were our people going to be, have been through the same challenges again.

But like last year, we met the challenges and did things our way, we acknowledge the challenges, embraced that things were not going to be easy and forged ahead to have what has been yet again a very successful year.

Whilst many clubs have begun to show that they have not been able to adapt to the challenges that covid presented we thrived, and the reason we thrived is because of you, the people of our club, you continue to turn up and support the club, it is so much more than just turning up for a game of cricket for so many of you, and because of that the job of the committee to ensure that the club is in a better place than the year before is much easier.

To the committee, as you know I won't be going on as President, I want to thank you, special mentions to Jo and Gaz, my sounding boards and support for everything, good, bad or indifferent, for all that was going on outside of the club I needed this more than ever, it has been a full on couple of years but a time that we can look back on and be proud of as the club is in a better position now than it was and I know that it will be in a better position in two years time again, thank you.

I want to congratulate those that have won awards this season, fantastic effort and of course those in the A1 winning their premiership and the Inaugural women's MPCA champions, a great season that we have learnt so much from which allows us to set up and build the strongest women's program on the peninsula.

From there we begin to look to the year ahead, we add in a coach that doesn't come much higher credentialed in Adrian Jones, adding a successful Premier coach into our club has positive benefit written all over it, knowledge, experience, a teacher of the game, something that we are very lucky as a club to have come in.

We go again next season on the back of 8 out of 9 senior teams making the semi finals, with two going on from there to winning the flag in the Women's team and the 3's, we have our back to back winning under 18 team that are all building through the grades and then the abundance of junior talent.

We are sitting in a nice spot and with the right people involved like we have, no doubt this will continue to guide a prolonged successful period at Langwarrin something I'm sure we can all agree is exciting.

I want to thank you all for allowing me to be your President for the past two seasons it has been an absolute honour, a challenge, but something that I am proud of, thank you to those that have supported me.

Before I sign off, I want to implore anyone that wants to be a part of something special and significance then join the committee, you can make a big difference and make the club a club that you believe best supports the people, there is no better feeling than hearing that this is peoples' happy place.

Cheers
Matt Reddaway

COACH'S REPORT

In season 21/22 we welcomed a huge signing in International player Ian Cockbain, the news got even bigger with Chris Brittain coming on board and then the biggest of them all Dylan Campbell!! We also welcomed many new players across the lower grades and lost a few players to other clubs for different opportunities, all of who we hope to see back at the club in the near future.

We started in July during lockdown doing boxing sessions via zoom run by Plunks. We then moved to groups of 5 outdoors which was the next step of the rules and it was fantastic to see roughly 30 guys put there hand up for that. Finally we were able to get together as a group outside and commence a relatively normal season.

Throughout the season we were able to hand out 7 homegrown Langwarrin junior players first XI caps....

Trent Eigenraam 291

Max Parrott 293

Zane Snowden 294

Jaymon Jewiss 295

Josh Hammill 296

Lochie Jamieson 297

Tyler Porter 298

Congratulations boys a fantastic honour

Across the grades the goal was to ensure a good mix of senior heads with junior players to help there development through the grades and there is no doubt this paid off with 7 of the 8 sides reaching finals. This seen the likes of Flynn Bartlett, Kyle Rees, Kylan Mitchell, Brad Poole and many other juniors have outstanding development and climb the grades showing us how good our youth is. Unfortunately of the 7 sides in finals we could only get 1 through, it was the 3s with a great win over French Island. The boys then went on to win the Grand Final knocking off a strong Heatherhill side. A fantastic finals campaign and a big congratulations to Gav and the boys.

A big shoutout to my favourites (sorry everyone) but the bloody 8s boys you guys are absolute legends and have brought an incredible energy to our club.

Also I'd like to mention Juzzy who has had some health battles in recent times but to see him out there with us doing what he loves is what it's all about. A great innings during the season of 31 not out no doubt a memorable moment.

Women's team – The LCC has become a very strong junior and senior club and it was certainly time to expand that to a strong women's team and didn't we do just that!! Led by Kylie the girls went undefeated in the first year of women's cricket in the MPCA and become the inaugural champions!! Well done girls on a fantastic season and we look forward to having you back even stronger next year.

Gary & Red – 2 of the strongest leaders a club could ask for and we are extremely lucky to have you as the backbone of our club. Also to the committee behind them thank you for your time and efforts we can't do it without you.

Dan Holden – In the most challenging year as a chairman of selectors you were amazing! With the absolute chaos on Friday nights & Saturday mornings you ensured we filled 8 teams every single week. The support you gave me at training, the way you addressed the club for selection and just for being a top bloke day to day I thank you.

Tim Harper & Rob Prosser – 2 of the absolute best!! The training standards you deliver the club Rob is of the highest standard. Tim the support you have given not only me but anyone who needed a role model to look up to/talk to we all thank you.

Captains – Thank you for your support throughout the season, we had big numbers at training and to be able to turn to you guys for assistance was a huge relief.

I hope I haven't forgotten anyone but overall I'd like to say a big thank you to each and every one of you for your support throughout the year, I am still reasonably young and always learning. It became quite clear to me halfway through the year that this club needs an off field coach as I couldn't give the required coaching and time I would have liked to and focus on my own game which I need to at my age. I will obviously be stepping down and with Adrian Jones coming on board there is no one more qualified for the job. How exciting for Langwarrin and I personally can't wait to see what Jonesy can bring to our club and in particular our up and coming stars!! We have also as at this stage (when I'm writing this) signed Jackson Mockett. Mocko will be a huge asset for us, not many players can say they have won a first XI premier bowling award..... Excited to see what he can bring especially to our fast bowlers coming through.

Bring on season 22/23!!!

MP

FIRST XI REPORT

Well what a hard fought out year it was in the 1st.

We had 10 new players get their 1st caps this year with picking up Dylan , Brit's and Ian and then losing Ian .

We needed young players to step up and we found a player in Jamo, he did great when he got his chance with the bat especially hitting Jake Wood for 6. Guys like Jay, Tiz and Trent getting opportunity and experience in the 1st will help them for the future.

We were up and down all year just couldn't get a set side, in saying that we were worked hard all year making it to the semi final just didn't take our chances with the bat and ball on the day. Matt Prosser had a great year again taking out the league medal again. Well Done mate .

Lads we will be back stronger than ever next year!

Thanks a lot to Timmy, Robbie and Rodger over the last 7 years, couldn't of done it without you boys.

I look forward to what is next at this great club with Adrian and Jackson's coaching appointments, and Jacob coming across as well.

Thanks for letting me captain the 1st eleven of this great club over the last 7 years.

Cheers Trav

JUNIOR CO-ORDINATOR'S REPORT

Season 2021/22 Junior Annual Report

Our junior season began with some doubt on the back of a shortened junior football season but we did prevail. A full uninterrupted season saw us achieve all 9 rounds of cricket.

Unfortunately our 12's and 14's all had to settle for one-day matches whilst our 16's played 3 2-day matches plus finals also being 2-day games. It was widely discussed amongst coaches that 2-day matches for ages 12-16 were deemed essential to assist with player development as well as providing greater opportunity for more equal player involvement. We hope to see these return during the 22/23 season.

After coming through a very difficult and disruptive Covid-19 period we still managed to field 13 junior teams. 3 x 16's, 3 x 14's, 4 x 12's and 3 x 10's. With 10 teams playing in competitive aged cricket, we had an amazing season with 6 teams making finals. U12's North and Central sides both lost in their semi-finals as too did the 16's Premier side. Our 14 Premier side were denied the opportunity to compete in their grand final with the Home teams ground being deemed "unplayable" due to extremely wet conditions. The highlights to our junior season were the Premierships won by our U16 West team and our U14 Central team. Well done to all teams in all grades on a fantastic season played in very high spirits on the back of some very difficult times for all.

Friday nights continued to be popular at Lloyd park with plenty of action with our 10's and 16's. Fortunately we did not have too many fixturing issues which only saw one match being relocated to EMC. Our biggest logistical issue to work through was training nights with too many team to all use the training nets simultaneously in each age group. All coaches were fantastic with rotating in and out of the nets and holding training sessions on the ovals. Our coaches were again all outstanding in representing our club of which I did receive multiple compliments from opposing teams. A massive thanks to our coaches for 21/22.

Due to a changing of the guard with Darren Guinea stepping aside after a long dedicated service of 6 seasons the only coaching coordinator appointed was Adam Richmond who took good care of our U16 group. As a coaching coordinator in previous seasons I extended my role this season and worked closely with the 14's, 12's and 10's. Knowing all the coaches reasonably well it was very easy to work with these great gentlemen who all in turn helped me in my Junior coordinator role. My aim will be to ensure we have all age group coordinators appointed within the coming months and coaches soon thereafter.

Junior Blasters was nowhere near the success that we were hoping for this season despite Lachlan O'Neill and Dan Holden doing their best to coordinate. We will look to promote our 22/23 program sooner in attempt to bring our numbers heading back in the direction of where they were several years ago. Covid-19 could be deemed as a viable excuse however numbers have gradually declined over the past few years. The junior blasters program is an integral part of our junior setup, ensuring continued strong numbers into our 10's and beyond.

Registrations:

16/17 – 41

17/18 - ??

18/19 – 25

19/20 – 18

20/21 – No blasters program

21/22 – 12

The 22/23 season will be focused on strengthening the bond between junior and senior members of the Langwarrin Cricket Club. We pride ourselves on strong participation and mateship however the link between junior and senior players could be even better. Senior participation at junior training (aside from the actual coaches) will be my main focus along with building interest in our Blasters program.

I would like to officially recognise the enormous amount of hard work and dedication Darren Guinea has shown over his long service to junior cricket here at LCC. We thank Darren and wish him all the best for the future.

TEAM REPORTS

SECONDS

Thank you to the Executive Committee for the honour and privilege of captaining a team at the greatest cricket club there is. Thank you as well to Mal Coutts, Simon Parrott and Jamie Jewiss who also captained the 2nd XI this year before I was given the role. Lastly, thank you to Nadia Wust for being the scorer and administrator for the team, and for bringing along Your Husband who helped me greatly as a vice captain, sounding board and warm up captain.

The seconds started the year with one simple goal: to return to playing finals after narrowly missing out the previous year. However, we also had an even more vital role: to nurture and develop the next generation of Langwarrin players.

Whilst we did manage to tick off the initial goal of making finals once again, that certainly took a back seat to the excitement of watching the young guns develop. By the end of the season a total of sixteen players aged 21 or under had represented the Seconds and we'd had nine players selected to play Firsts. The average age of the eleven players in our semi-final was just 23.82!

Some of the highlights of the year:

- Mitch Bartlett (20) having a breakout year with 269 runs, mostly at the difficult #3 spot.
- Kyle Rees (16) finding his consistency and becoming a game changing bowler and key position fielder.
- Tyler Porter (17), Jaymon Jewiss (16), Zane Snowden (16), Trent Eigenraam (21), Max Parrott (14), Lochie Jamieson (20) and Josh Hammill (30) all making their 1st XI debuts.
- Brad Poole (15) and Flynn Bartlett (16) making meteoric rises from the lower grades to finish the season in the 2nds.
- Ben Glassenbury (17) top scoring in our semi-final with a superb 35.
- Damien Wust taking out another bowling award with 21 wickets.

Thank you to every one of the twenty-five players who represented the 2nd XI this season. We had a number of highs and lows, and ultimately we didn't get the chocolates, but we can look forward to next season with renewed enthusiasm.
Cheers

Daniel Bray

THIRDS

Firstly, I would like to thank the club President Matt REDDAWAY and the committee for allowing me to captain the Langwarrin Thirds again this year.

I came into this season with no preconceived ideas. On the back of last season my initial concentration was to focus on the development of the young fellas coming up through the junior ranks into senior cricket and to ensure that the senior members of the side were enjoying their cricket.

The growth of Flynn BARTLETT, Kynan MITCHELL, Kyle REES, Tyler PORTER, Brad POOLE, Zane SNOWDEN, and Ben GLASSEN BURY into senior ranks has been outstanding. Having had all those boys go through the thirds at one time or another shows that our belief in these young men in backing them in is terrific.

The thirds were also made up of some genuine experience with Pete EDWARDS, Jamie JEWISS and Simon McEVOY playing throughout the year and invariably becoming major components to what was achieved at the years end. To again play sport with my son Kai was something I will always cherish and to his credit he played every game in the 3rds this year.

On a personal basis my year with the bat was one to forget but I felt that my leadership and captaincy was at a very high level and our match results are proof of that being the case.

We beat every side in the A1 competition at least once. French Island, Long Island and Heatherhill have been the strongest sides in A1 cricket for several years, so much so that we had not beaten Heatherhill for 5 years in any form of the game.

To finish 3rd at the seasons end was something that I was very proud of and we went into a semi-final with French Island on their home deck. I was extremely positive that we would give a fantastic showing of ourselves. This was proven with a convincing win. The week later to play Heatherhill in a grand final at Bruce park was something that at the start of the seasons I could not have believed would happen let alone to win the game and take out the premiership for this season. It is the single best achievement I have had in any form of competitive sport.

The way we won and the sportsmanship and integrity we showed as a playing group was brilliant and the fact, we were underdogs for both finals only made it more important and special.

In closing as I head to play cricket at Pines for 2022/2023 season before returning to play with my boys I cannot thank the Langwarrin Cricket Club enough for the way they treat my family with Tracy, Kai, Kobi and Chase feeling like Lloyd Park is a home away from home. I am indebted to the cricket club for allowing me to lead these men in the thirds and to those premiership team mates I cannot praise them enough.

What a fantastic end to a brilliant season.

Gav

FOURTHS

After a season interrupted by covid the hope was that this season would go back to some kind of normal with two days and more importantly arvo teas back on. However this wasn't to be as covid reared its ugly head again.

The fours took on a different look this year with Gary Rees standing up, well not physically but putting his hand up to take on the role as captain.

His vision was to get a team together with a good mix of senior guys (plus Mal Reid) and some of our up and coming juniors. It was clear early in the season that the juniors would play a massive role in this side with several dominant performances from Brodie Tibbals, Brad Poole, Ben Glassenbury and Kylan Mitchell just to name a few. All of these kids ended the season in either the twos or threes which was good to see.

After a washout in round 1 it was fairly smooth sailing before Christmas as we went undefeated through this period. The only hiccup was a tie in round 4 against Pines. We would also play in another tie against Tyabb in round 12. In my previous 24 years of senior cricket I had not played in a tie before and to have 2 in the one season was pretty crazy. The Tyabb one was the most disappointing as we were in a really dominant position and couldn't finish the job off.

After Christmas is when the fun and games began. Especially for chairman Dan. Covid ramped up keeping several players on the sideline and like most teams our side changed week to week by up to 5 players at a time. With a lot of chasing around on a Saturday morning to just fill the team. There was a total of 34 players take the field for the fours this season at one stage or another, just showing how much effect covid had at times.

Reesy decided to step down as captain and away from the team to allow more juniors to keep coming through the grades as they were doing the job when called upon. We were marginally defeated by Heatherhill and Baden Powell as the top 3 were breaking away from the rest of the comp. We would again lose to Heatherhill in the last round after once again being in real winnable position and that loss would cost us top spot. Meaning we had to play them again in the semi final.

A few of the outstanding efforts throughout the season were David Ross turning back the clock in round 5 against Tyabb making 160*, Luke Smith (119*) and Josh Burgess (108*) put on 152 for the second wicket against Pines in round 11. Fish took 5/19 off 5 overs against Red Hill in round 3 and I was lucky enough to get some poles against my favourite club FYME in round 6 taking 5/11 off 7.1.

As finals approached it felt like other clubs were strengthening their teams but unfortunately, we were the opposite with several injuries affecting selection. Reesy came back into the side to help out for semi final as players needed to move up through the grades. I'm pretty sure he only said yes to playing as we were playing against his mate Dermie. He was hanging off his pocket that much during the game it felt like it was 12 versus 10 at times. Kids and their heroes hey?

Unfortunately we went down, falling 15 runs short of Heatherhills 198. A gallant run chase but we let them get too many in the back end of their innings with 8 dropped catches not helping our cause. A disappointing end to the season and obviously not the way we wanted to finish as I thought we were a real good chance to go all the way. But that's cricket.

Although the club didn't get as much success as we would have hoped for this year with the 6 out of 7 teams bowing out in the semi final, we can all take a lot of happiness and satisfaction knowing that FYME were relegated.

Cheers

Pozza

FIFTHS 2022

An interesting year for the 5ths as with all grades there was lots of player movement this season and we as a result our side looked a lot different at the end of the season than it did at the start

We had a lot of strong performances with Harry Boyle having his most consistent season at the top of the order with some really solid innings and he continued this good form when he was promoted to the 4's. Chilli was reliable with the ball and really took on a leadership role with the bowlers which was great to see

We started the year with Luke and Brodie Smith as key members of the team before they were promoted to the 4s then we got Langy's answer to Happy Gilmore Chris Aedy who took out the batting average with some blazing knocks Az Baleisis had solid season with the bat and Chris Bartlett was as reliable as ever then there's the young guys & girl coming through, Brad Poole was the hero in round 2 leading us to victory after being 6/26 Flynn Bartlett carried his bat twice in 3 innings before being promoted and many others who showed great improvement the future is definitely bright, we managed to finish thirds and faced Ballam Park in the Semi but unfortunately despite a great start having BP 5/55 we just couldn't capitalise and sadly went down by 20 runs

Thank you to the executive and general committees for all of your hard work and thanks to Matt Prosser who served the club really well as senior coach.

Congrats Gav and the thirds on winning the A1 premiership and also to the Women's team for taking home the inaugural Women's premiership win.

Dan

SIXTHS

This year, I had the pleasure of taking on the role as captain of the 6s and one which I thoroughly enjoyed once again. This year the goal for the 6ths side was to educate the younger players on the fundamentals of playing Senior cricket and to give them opportunities to develop and challenge their abilities.

Throughout the year we had 28 players play for the 6ths of these there was either a 1st or 2nd senior player as well as 12x stepping up from our U16s & 14s junior teams. It was pleasing to see these players progress up throughout the grades and have an impact to those teams along the way.

Our season started well with a good mix of experience & inexperienced players who were happy to learn from each other throughout the year. This resulted in us being undefeated up until round 10. From round 10 we started to struggle with performance consistency mainly due to player unavailability throughout all grades.

Whilst we didn't achieve the ultimate goal, we did make the finals and for me we had a successful season. The best part of the year from my perspective was some awesome performances from our younger players who really stepped up and got us back into games when we were in tuff positions.

In addition, congratulations to all trophy's winners (unknown at the time of writing my report as well as the 3rds and our inaugural Women's sides on winning premiership flags.

See you next season,
Adam Richmond

SEVENTHS

Firstly I would like to give out a MASSIVE “THANK YOU“ to Jo, Redda and Reesy I don't think I know people do not understand the amount of work and time it takes to run a club of this size and calibre. It is a full time 5-7 day a week job. Not taking into account you all have families and jobs as well, I take my hat off to you all would like to say THANKS from everyone.

Dan, how you managed to keep working your magic and supply a full side to us all every week was amazing.

Everyone else in the committee you all do amazing work and it has been great working with you all again this year.

Now for what was a tough year for the 7ths sadly in the end we were wooden spooners, however it was great to see so many sides make finals.

There were around 38/39 players in our side this season with a variety of youth from the U14 and U16 with many on debut go through the side and it was amazing to see so much talent, to all the Old blokes who filled in some even staying on to complete the season and even a few ring in's from my work, this made for a great dynamic and a lot of fun.

Paul Morrow, thank you for your guidance early in the season in the captain spot and I am wrapped you had the opportunity to play with your brother.

On the flip side it pushed me into the captain spot again and with the great support around me Rick, Rod, Shane, Stevo, Dicko, Cuzzy and yes even you Dash. Your experience, know-how and leadership was very important for myself and all the amazing young talent which came through our side this year.

What a privilege to see so much young talent go through the ranks and continue to improve week after week, we aimed to give them all as much exposure as possible to the young boys with both the bat a ball and at EMC these boys had to learn fast.

I am not really a stats man like the mighty Middy and there were so many stand moments out this season here are just a few.

Paul Morrow with a few well-crafted centuries steering the ship to what would be our only few wins.

Lachie O'Neill massive improvements with both bat and ball and so close to his first 50 which was a very patient and mature knock, I see a lot of good things ahead for you keep up the great work.

Jamo in his cameo appearance firstly as a ball magnet in the field and then comes out to Top score with the bat. This game was a highlight and privilege for me as it will be the first and more than likely the last time I get to play with Jamo, Bazza and Nic all together.

Lastly and my biggest highlight of the season Juzzy, getting his first ever wicket and a top score with the bat of 31, great effort mate I know how much this means to you.

Keep up the hard work.

On a personal note I started my cricketing journey to play father/son with Nic last year and although he did not stay with us long this year I look forward seeing you continue to improve and grow.

A massive shout to all the great people which have helped him throughout the year, in particular the great man Luke Smith with this support he has managed to improve greatly.

To Tim & Rob, once again you are both absolutely amazing in what you do for our great club

The “old boys”, who support us every week cooking up a storm We all thank you. Pleasingly, we were able to give opportunities to a raft of youngsters,

Thanks to everyone who played in the sevenths, and supported us this season there were so many of you but it was great fun with plenty of positives.

Thanks

Ray

Formally known as Captain Covid.

EIGHTHS

The 8ths started the season as a Father- Son side but with most of the U16 boys pushing up to play higher levels of cricket, it was left to Dads and the Kelly Gang to form the bulk of the side. The team was strengthened with the additions of Stuart Bath, Josh Beard and Daniel Otto providing extra skill and energy to the previous version. And Cuzzy and Stevie brought the entertainment factor. We were lucky enough to have a variety of lads fill in for us throughout these COVID times with Tristan Leslie also jumping in to qualify late. In all, 23 players represented the “Mongrels” in 2021/22.

The season proper started with some mixed results – mainly wins with some abandoned games and covid forfeits from our opposition helping to land us undefeated on top of the ladder at Xmas. February saw a form slump in which we lost 3 in a row and looked to have lost top spot for good until a remarkable victory in the last round saw us defeat the top side Tyabb by 1 run, finish on top and secure an improbable home final. However, we did not bat, bowl, or field particularly well and lost the Semi Final with 8 balls remaining. So close yet so far.

Season highlights included:

Andrew & Tom Dolphin’s 77 run opening partnership in the Round 2 win vs Baxter
Rick Nolde’s leg swipe for 4 to hit the winning runs against Seaford in Round 3
Sides forfeiting so we could sit on the Hill and ‘support’ the 1sts
Josh Beard’s debut performance of 4/12, including a hat trick
DK somehow taking 5/8 vs Frankston YCW in Round 6
Flynn Kelly taking 4/15 at Baxter to try and beat his old man’s figures in round 9.
Paul Poullos bowling 8 over spells and finishing with 11 wickets for the season despite barely training
Stu Bath took wickets, kept wickets, and made an unbelievable 104 no vs Baden Powell.
Owen’s bowling improving taking 7 wickets for the season while fielding brilliantly in the deep all year.
Cuzzy taking 6 wickets including a blinder of a caught and bowled vs Tyabb.
Hayden Mitchell taking some unbelievable catches behind the stumps (14) and smashing some long bombs for 6. Ended the season as the opening bowler taking wickets.
Finishing each game with a beer and a team photo.
Playing a Final on Lloyd 1 after playing on EMC all year.

Lowlights were few and far between but included:

Baden Powell fielding ex-1sts players and not playing in the spirit of the C4 Division
Creating a cult figure by installing Stevie Talbot with the new nickname of ‘The Finisher’
Cuzzy only making 3 ducks

Losing the Semi Final. Shattering!

In finishing we would like to thank and acknowledge the arduous work of Matt Reddaway, Gary Rees, and the hard working committee for their efforts behind the scenes. Also, a massive thanks to Matt Prosser, Trav Campbell and the 1st X1 players who supported us throughout the season. It was terrific to be a part of players gathering from 1sts- 8ths, Men's & Women's, Juniors & Seniors at training on Thursday Nights. Thanks also to Rob Prosser and Tim Harper for running those sessions that us old blokes love. Truly we do! Also, to Dan Holden who has done an amazing job under very tough circumstances each week. Well done, Chairman! And finally, a special mention to Mum's and families who supported us, particularly Megan who came to every single game.

Thanks again for an awesome season. Although it finished a week too soon, it will be one that all of us will never forget.

Cheers
DK & H

Women's report

What started as an idea, then throw in covid but a stronger desire to grow the club, 6 months on we have the inaugural MPCA women's champions.

None of this would have been possible without the passion of quite a few people, Stuart Plunkett, Emily Parks, Kylie Waters our award winning star captain.

With a mix of young and not as young, existing players and never seen a cricket bat before players the improvement from round one across the board was amazing to watch, having had a draw for our first game but then never looking back including a dominant performance in the grand final against Balnarring

We learnt a lot from this season, so much that we can take into next season and beyond which will ensure we have a strong women's program well into the future.

Make no mistake the womens team was spoken about by a lot of the peninsula but more importantly our young cricket girls that want to get to that level one day, panting seeds for the next gen to harvest, such a great beginning.
