

2023/2024 REGISTRATION NOW OPEN!!

We are excited to announce that registrations for the upcoming season are now open.

As most would know, Mycricket is no more and this season all players (senior and junior) will be required to create a profile and register via PlayHQ. There are no exceptions to this. The club physically cannot register anyone, so you **MUST** create a profile and register yourself.

You might already have details for PlayHQ if you have registered for another sport. You can use those.

This season, we have decided to keep the fee's the same as last season. We do note, that whilst the cost of running the club has gone up, with the amount of teams, council costs, training equipment, etc, we are able to keep the fees the same with the thanks to Community Grants and our valued sponsors for their support for allowing us to not increase the fees for this season. We do expect however for next season, with new playing tops provided and costs of running the club, that there may be an increase in the fees.

This season there is a charge that all participants need to pay on top of their fees. This has been brought in from Cricket Australia and is called the NRF – (National Registration Fee). It is listed and broken down on the registration page, however for transparency, below is the breakdown:

- Insurance Levy - \$13 for seniors and \$6.50 for Juniors
- PlayHQ levy - \$9.50 per player
- SECA Levy - \$2.50 for Seniors and \$4 for juniors.

We ask you register early, as we are looking to have a record number of boys and girls' teams, so if you are wanting to play, by registering early, we can plan teams. You can also take advantage of our Early Bird discount offer – this is **valid until 31st August 2023.**

Any questions – please reach out to Jenny or Tim.

2023/2024 REGISTRATION

There are 4 different registration types. Please ensure you are registering for the right one.

If you are a coach/captain, scorer or volunteer, you can also register. There is no fee however for registering as this role type. This will allow you to select teams, enter scores and provide your WWCC. Any one of the links below will let you register for this role.

Please note the early bird pricing is up and will be what you see at the Checkout. From September 1st, when EB pricing finishes, this will change to normal pricing.

If you require a sibling or Big Dogg Training Code, please reach out to Jenny, Tim or Belinda for these.
