

## SEASON 2024/2025

Hi to all the LPPCC players, members, sponsors, supporters and families, we are so excited the new season is here.

We hope you have had a great off season, whether that's playing other sports, spending time with family or watching your AFL team win (or watching Dusty retire! 😊)

With great success last season, with our men's 1XI winning the Longmuir Shield, our inaugural women's team winning the Div 4 premiership, along with our U14 girls team winning the AGCC premiership and boys U18 also saluting, we are looking forward to getting back to cricket to plan our success for season 24/25.

Our social committee have some fantastic social events planned, along with our famous Christmas Party, Christmas Trees, MND match and Saturday night match reports.

Our registrations are open! Our EB pricing is available until August 31<sup>st</sup>, so get in quick before this ends. This season Play HQ has a facility for Pay Pal in 4, which will help with instalments.

Registering early also helps us plan and prepare teams for the season. Training has started for senior men's and women's/girls. We will head back to LPP, through September and further communication on availability will be communicated out through coaches and social media.

Our season kicks off mid-October (see inside for dates), so not long now!

**Our Come and Try day is this Saturday, at 10am at the club. We have the STARS Van at the club, so there will be heaps of activity happening!**

We cannot wait for the season to start!!

Go Pagers.

## Child Safety

Our commitment to Child Safety and Safeguarding our Children is paramount as part of our club and protection to children.

Please refer to our Child Safety Statement on the right, which is also up on our website and will be up around our club.

A WWCC is a requirement for all committee, coaches, captains and team managers/ scorers playing/training or associating with kids.

Please ensure you have an updated WWCC, click on the link below and send to Belinda Ricardo. Please also ensure you have added in LPPCC as a place of volunteer on your WWCC.

If you have any questions, please reach out to our Child Safety officer Narelle Partridge.

*LPPCC, does endorse and adopts the Australian Cricket's Policy for Safeguarding Children and Young People, Australian Cricket's 'Looking After Our Kids' Code of Behaviour for Affiliated Associations and Clubs, and Australian Cricket's Commitment to Safeguarding Children and Young People, effective as at 24/9/20.*

### CHILD SAFETY

The Le Page Park Cricket Club is currently reviewing our Child Safety and Wellbeing Policy along with other policies relating to the 11 Victorian Child Safe Standards. This information will be available to everyone via our website and hard copy at the club once this is finalised.

Le Page Park Cricket Club is committed to providing the highest level of safety for all involved with cricket. This includes protecting members' privacy, promoting positive behaviours and attitudes, protecting the health safety and wellbeing of members, particularly children and delivering the Le Page Park Cricket Club's activities while acting in the best interests of children in the sport.

Specifically, Le Page Park Cricket Club considers that the health, safety and well-being of children take priority over all other competing considerations. Le Page Park Cricket Club considers that this is necessary to ensure the health, safety and welfare of all members and protect the image and reputation of the sport, Le Page Park Cricket Club and its members. Le Page Park Cricket Club has a zero-tolerance approach to child abuse and is committed to promoting and protecting children from abuse and neglect to the greatest extent possible. All children have equal rights to protection from child abuse, regardless of their gender, religion, disability, sexual orientation or sex characteristics etc.

Le Page Park Cricket Club is also committed to the cultural safety of Aboriginal children, and those from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children living with a disability.

The 11 Child Safe Standards that our club is legislated by are:

- 1) **Establish** a culturally safe environment in which the diverse and unique identities and experience of Aboriginal Children and Young People are respected and valued
- 2) **Embed** Child Safety and Wellbeing in organisational leadership, governance and culture
- 3) **Empower** Children and Young People so that they know their rights, participate in decisions affecting them and are taken seriously
- 4) **Inform** and engage families in respect to child safety and wellbeing
- 5) **Ensure** that equity & diversity is upheld through our policies and practices
- 6) **Engage** volunteers and officials to ensure that they are suitable to work with Children and Young People
- 7) **Handle** complaints and concerns promptly, thoroughly and with a child focused approach
- 8) **Educate** volunteers, staff (if applicable) and officials – in consultation with Cricket Victoria and Cricket Australia - to provide them with the knowledge and skills to keep Children and Young People safe
- 9) **Promote** the safety & wellbeing of Children and Young People through physical and online environments
- 10) **Review** and improve our child safe policies, procedures and practices regularly
- 11) **Role model** behaviour and actions documented in policies, procedures and practices guiding how our organisation is safe for Children and Young People

An information session will be held prior to the season starting for all coaches and captains about Child Safe Standards. If anyone has any questions, please email our Child Safety Officer, Narelle Partridge, [lppccchildsafetyofficer@gmail.com](mailto:lppccchildsafetyofficer@gmail.com).

## 2024/2025 REGISTRATION

We are excited to announce that registrations for the upcoming season are now open.

If you already have a PlayHQ account, you need to use that log in. For most players, all the information should be in the system from last season.

If you are new to cricket, you can create a new profile by following the prompts at log in. This season all players receive a new playing top as part of their fees – this will be given to you all before games commence. You can place your size in the box at registration. This is only a Short Sleeve polo. Any Long Sleeve tops need to be ordered separately.

**Our Early Bird Special pricing is back and is valid until August 31<sup>st</sup>. So, it's a great opportunity to utilize this EB special pricing.**

We have tried to keep our increase of fees to a minimum and absorb as much as we can, however, we have had to increase them as mentioned last season. Like anything, the rising cost to run a club have required us to increase the fees a little. Balls prices have increased along with council costs, training equipment, electricity bills to name a few. We have been very diligent; however, we haven't had a rise in over 4 years and need to ensure we can continue to make ourselves the best club within the southeast.

While the NRF (National Registration Fee) has stayed the same the SECA fee has increased. The fees are broken down on the registration page, however for transparency, below is the breakdown:

- Insurance Levy (NRF) - \$13 for Seniors (Men and Women) and \$6.50 for Juniors (Boys and Girls)
- PlayHQ Levy (NRF) - \$9.50 per player (applies to ALL Seniors and Juniors)
- SECA Levy - \$20 for Seniors and Juniors (Men and Boys)
- CSBW and AGCC Levy – \$0 (Women and Girls)

In other news, Cricket Australia has now made available four instalment payments you can take up when registering. When you get to the checkout, you can click on PAYPAL in 4 instalments. This will help people that require support to budget and may have a few registrations to do.

We ask that you register early, as we are looking to have a record number of boys and girls' teams, so if you are wanting to play, by registering early, we can plan teams. You can also take advantage of our EB discount offer – this is valid until 31<sup>st</sup> August 2024.

## 2024/2025 REGISTRATION

There are four different registration links. Please ensure you are registering at the right one.

If you are a coach, captain or volunteer, you can also register as one of those jobs, under the section you are related to. There is no fee however it allows your WWCC number to be provided as well as details that we can place your role into PlayHQ.

Please note the EB pricing is up and will be what you see at the Checkout. From September 1<sup>st</sup>, when EB pricing finishes, this will change to normal pricing.

If you require a sibling or Big Dogg Training Code, please reach out to Jenny or Tim.

As a note:

- Junior Boys playing men's please register on the Junior boys' SECA page.
- Junior Girls playing women's please register on the Junior girls' AGCC page.

## Women's and Girls Cricket

### Georgia Ricardo

We welcome back Georgia Ricardo to LPPCC Women's team.

Georgia was a junior at LPP, and whilst she played senior men's cricket at LPP, she has also gone on to play cricket at Melbourne Cricket Club. However, her passion which she has excelled at is AFL football. She was part of the Collingwood VFLW Leadership group, and now is part of the leadership group at the VFLW Southern Saints.

We are rapt to have Georgia back at the club as part of women's cricket program. She will be a wonderful support for the girls coming through women's cricket and we are so excited to see her out on the pitch.

Welcome back G.

### JUNIOR NEWS

I hope the winter has been kind to you.
