

PLEASE KEEP AND RETURN IN THE TEAM MANAGERS FOLDER AT THE END OF THE SEASON.

INTERCHANGE STEWARD

ROLE DESCRIPTION

This description is to be shown to any new boundary umpire prior to the start of a match

MT MARTHA JUNIOR FOOTBALL CLUB

PO Box 188 Mt Martha VIC 3934 E mtmartha@mtmarthajfc.com.au www.mtmarthajfc.com.au
 ABN 68 677 579 883

Firstly, a big thanks for taking on the role of interchange steward today. Without the support of many volunteers, our teams would never make it onto the field each week, and believe us we are very grateful for your wonderful support.

Please take a couple of minutes to read through the points below and if you have questions or concerns about any of them please speak to your team manager:

- Position yourself seated near the boundary line within the white lines of the interchange area (not in the grandstand or the coaches box).
- Please ensure you have a watch.
- On the interchange card provided, record the start and finish time of each quarter.
- Before each quarter record the player jumper number of all players on both benches.
- As each player takes the field during the game record the jumper number of the person coming off and the time that it happened.
- If a player has been ordered off with a yellow card the word ORDER is to be shown in the on column with the jumper number in the off column. The player cannot resume playing until 15 minutes of playing time has elapsed (this 15 minutes does not include quarter breaks - it is playing time). When the player

or his substitute returns to the field, show the jumper number in the on column with the word TIME in the off column.

- Yellow card players cannot be replaced until their 15 minutes are up.
- When a player is ordered off the ground with a red card this player is reported and cannot take the field for the remainder of the match but can be replaced after 20 minutes of playing time which does not include quarter time breaks time. Umpires can report players after the game even if they have received a yellow card.
- You may be asked by the umpire to assist in a player count. Please stay in the interchange area when doing so.
- Ensure that all details on the interchange card is correct.

If you have any concerns or questions about an opposition player or official during the game please report it to your team manager. Please don't take the matter into your own hands.
