FNC

ABOUT US

Carrum Football Club was established in 1911 and was revived in 2013 as Carrum Patterson Lakes Football Netball Club.

CPLFNC has had some successes over the last couple of years with the development of new club rooms and netball courts. Our playing list grew into 3 football teams and 3 netball teams.

We were awarded the Division 4 SFNL Club Championship in 2021 with our Senior and Reserves football teams and Senior netball teams finishing as minor premiers for that season.
