

Season End 2012

Hi All,

Well another season has come and gone and I have enjoyed my time watching the Lynbrook Lightning Kids grow and develop. As we all are aware it's all about fun and participation and seeing the smiles on the kid's faces, win, lose or draw is what it's all about and we as parents must never lose sight of this.

I would also like to thank all parent helpers who assisted with various roles throughout the season; these roles and support are paramount in being able to get the kids on the field playing footy. Without parent helpers there would be No game.

Also a big thank you to all our Coaches, Team Managers and Trainers who need to be commended for all the work they have done throughout the season, volunteering their time to grow, nurture and develop the players.

We also have a hard working Committee who have worked tirelessly all season and continue to work hard for the future. Without their commitment and dedication we would not have Lynbrook FC.

Finally I would like to thank the Lynbrook Lightning Players, I have had seen each team play on many occasions this season and it's always heart warming to see the Orange jumper take the field. All players should be extremely happy with all their hard work this season and I hope everyone has had a great time. I look forward to seeing the LIGHTNING take the field again next season.
